What Is PACE Your LIFE?

PACE Your LIFE is the **Program of All-Inclusive Care for the Elderly**. Located in the Milford Wellness Village, we are an alternative to nursing facilities for people 55 and better that provides customized health care and social engagement to older adults to help them stay independent and in their homes.

Is PACE Your LIFE a nursing home or a senior center?

PACE Your LIFE is not a nursing home. The goal of the PACE Your LIFE is to keep seniors living safely at home and in the community for as long as possible with our services in place. Many of our members live in their own homes, senior housing complexes, apartments, or with family. PACE Your LIFE Day Center is more than a Senior Center, it's the driving force behind successful participant care. At the day center, we provide socialization, medical care, occupational and physical therapy, exercise, nutritional counseling, medications, transportation and so much more.

Can I keep my current primary care provider or specialty providers?

Like other health care plans, PACE Your LIFE has a network of doctors, specialist and health care services. If you enroll in PACE Your LIFE, you are assigned to a primary care provider at our Adult Day Center who is part of our coordinated care team. Our healthcare network includes doctors, specialists, health services and hospitals located in the local community.

Are there any eligibility requirements for PACE Your LIFE?

- Age 55 or older
- Eligible for nursing home care – assistance with 1 ADL & 1 IADL

LIFE

PACE Your LIFE services are free to seniors who qualify for Medicare and Long-Term Care Medicaid or Long-Term Care Medicaid only. For seniors that are not interested in exploring Long Term Care Medicaid as an option, there would be a flat monthly fee. Please contact our Medicaid Eligibility Specialist for more information.

What if I enroll in PACE Your LIFE and I do not like it?

If you do not like PACE Your LIFE, which we truly doubt, you may disenroll at any time. PACE Your LIFE is a voluntary program and because of this, the participant reserves the right to disenroll.

If I enroll in PACE Your LIFE do I have to come to the Day Center?

Attending the Adult Day Center at PACE Your LIFE is not a requirement and is based on your medical and social needs. Some participants only visit the center for medical appointments, while others come more often to socialize, eat meals and enjoy activities.
